Subject: Contract HF-CT-696

Reference: Letter DPD-7529-59 dated 2 November 1959

Dear Sir:

In accordance with your request in the referenced letter the following statements are made:

1. In accordance with Paragraph 24(d), Report of Royalties:
 - a. Royalties have not been paid and are not expected to be paid to any firm or individual in connection with work performed.
 - b. To the best of our knowledge and belief, no royalties have been paid by any of our subcontractors in connection with work performed.
2. In accordance with Paragraph 27(f), Patent Rights:
 - a. No inventions were patented, conceived, or first actually reduced to practice in connection with the performance of the subject contract.
 - b. To the best of our knowledge and belief, no inventions were patented, conceived, or first actually reduced to practice by any of our subcontractors in connection with the performance of the subject contract.
3. In accordance with paragraph 30, Government Furnished Property:

Schedules A and B for Customers No. 1 and No. 2 respectively are submitted. On each schedule the items which were supplied in total as GFE are listed with no comments in the right hand column. Where a part number or "Raw Material" is listed, the item delivered was modified from the GFE listed. Raw material refers to such things as wire or bar stock which is carried in our M & O stock. All GFE was transferred from M & O Stores.

We hereby certify that no other GFE was received nor is there any residual GFE under this contract.

Your immediate release of the suspended payment of \$5,000.00 is appreciated.

Very truly yours,

HYCON MFG. COMPANY
